## ACADEMIC INFORMATION

### STUDENT PROGRESS

- Teachers monitor students' progress by conducting weekly class tests.
- Progress tests are also written after each completed section of the course book.
- Teachers complete a bi-weekly report which is available to the students, parents or agents.
- Students will also write a Level Up Test after completing their course book.
- At the end of the course we also offer the opportunity for students to write an Exist Test.
- And finally students will receive a professional detailed certificate.

### STUDENT ORIENTATION

- You need to arrive by 8:30 on your first day where a friendly member of the staff will meet and greet you.
- Registration will take place followed by a placement test (written & oral test).
- After your test you will be given a short induction as well as a tour of the school and the facilities.
- You will receive a welcome pack to get you started for your day.
- The results of your placement test will be discussed with you before you start your classes.
- The student co-coordinator will introduce you to your teacher and at break time you will have the opportunity to meet the other students.

### OUR TEACHERS

Well-qualified teachers, who strive to meet the requirements of students' academic development.

Regular team building programs and workshops are organized by the Director of Studies to improve the quality of our courses and maintain the school ethos.

### TEACHING STYLE AND LESSONS

We have a wide selection of resource material as well as supplementary course material.

We use the best possible supplementary resources to improve the dynamics of the classroom. Our lessons are designed to meet and exceed the various English skills of our students.
